Your guide to safely sharing the roads in the Northern Territory

August 2015

A photograph of a road scene. A dark-colored car is blurred in motion, driving from left to right across the frame. In the background, there is a green road sign with white text that reads "STUART HWY" and "Alice Springs AI Darwin". Below the sign is a black and white striped triangular warning sign. The road is paved and surrounded by dry, scrubby vegetation and trees.
